1. PREVIOUS MINUTES

ACTION

Agreed.

Further discussion was held on a board. Maybe we could have an A board and padlock it to the concrete block already there. Dawn will find out costs of this.

3. TREASURER'S REPORT

See attached report.

The new chairs are out and we await everyone's views. We would also need to consider replacing the banquettes and one suggestion is 2 corner sofas. We would need to be careful because the carpet is cut around the current furniture so we would either need to replace the carpet or make sure the new furniture fitted over the gaps.

4. FUTURE EVENTS

Chinese takeaway night for the opening of the Olympics on 8 August – Dawn will contact Ken's to see if they could do this.

Dawn

Saturday 5 July is the Elvis night in the Hall at which a tribute act will be performing. Tickets are £5 and it is in aid of the Air Ambulance.

21 June – rounders at Dawn's, weather permitting followed by a barbecue.

5. AOB

Rachel has found a spare tin of the paint we used to paint the store room and will be bringing this to the hall for storage for future use.

6. NEXT MEETING

Next meeting on Friday 11 July at 20.00.
