The full cost of the new cooker was not covered by the Village Hall Committee, so this committee have agreed to cover the £314 from Social club funds.

Replacement seating – research for this is ongoing.

TCH left a number for someone from Fabric Warehouse to call and give a quote for re-upholstering the bench seats, but no one has called yet.

The Committee agreed to round up the amount collected for the Air Ambulance from Christmas to £220.

**4. FUTURE EVENTS**

The 6 Nations Rugby continues – next event the French match, Sunday 11 March. Denise is doing the food.

St Patrick's night is 17 March with Irish stew on the menu. We will also consider holding a raffle as it is Red Nose day on the 16<sup>th</sup> and it was agreed we wouldn't organise anything for then.

Saturday 21 April we will hold a St George's day event as we did last year so successfully. There will be food served.

Neil suggested something like a summer fair this year and he agreed that he would check with Brian if we could use the field next to the hall as without this the fair couldn't go ahead. It was

Neil

agreed that it should be more of a community fun day rather than an event aimed at fundraising.

#### 5. AOB

The board announcing events is broken – we need to find out what needs replacing or repairing.

In the meantime to inform the village what is happening we need an information sheet with members of the committee delivering to their own area of the village. Rachel volunteered Anna to create this and email to the committee members. If we collect the email address of people in the village we can email it round in future only having to deliver to those without email.

#### 6. NEXT MEETING

After the AGM on Friday 30 March
