**1. PREVIOUS MINUTES**

**ACTION**

Agreed.

**2. MATTERS ARISING**

Liz is still researching replacement boards for the corner of the road.

Update on 7 July Summer Fete –

There will be 18 stalls and there are some marquees arranged in case of bad weather.

If anyone is around on the Friday evening before could they please come down around 7 p.m. to help set up. Also to clear up on Sunday morning.

The dog agility group have cancelled but Neil is looking at another group.

There will be a choir in the church performing from 3 p.m.

We need a bar rota to cover 12-4 and 7-12. Music will be from 7 p.m. with the live bands on from 8.45 p.m.

**3. TREASURER'S REPORT**

This was handed out in the meeting and shows we around £30 down from April.

**4. FUTURE EVENTS**

20 July – rounders match. The venue was discussed and it was suggested that if we could hold it on the field by the hall it might attract more people (nettles permitting).

## 5. AOB

We are still researching a replacement television.

Denise handed round a certificate received from SKDC following the inspection by Environmental Health showing we have 3 stars for food preparation and it was agreed this should be pinned on the notice board. There was also a window sticker which will go on a window in the kitchen.

Dawn raised the issue of Tuesday opening as we are having problems manning the bar. It was suggested that maybe we change the opening mid week to Thursdays in the winter when the darts team plays.

Additionally Andy raised the problem that we are not getting enough people in to use all the beer. We therefore need to plan more events and make more plans for events such as televised football matches to get more people in. It would probably only need 1 good event a month. Denise will research the dates of the upcoming world cup rugby tournament and the next England international football matches so we can let people know in advance if we are going to open the bar on these days. Pam will organise setting up emails to do this. Another suggestion was opening on Sundays before Bank Holidays. We will open on the 8 July because that is the day we are clearing up and we will have a barbecue with any leftover food and the British Grand Prix is also being televised in the afternoon, so we can combine that as well.
