1. PREVIOUS MINUTES

ACTION

Agreed.

2. MATTERS ARISING

Dawn has been looking for table heaters but the ones she has seen are quite expensive, so she will keep looking.

The new cooker is now fully installed and working and the Village Hall committee have agreed to pay the full cost.

The feedback on the New Year's Eve Ball has been positive, including for the games.

The money raised from the carol singing and card delivery was £200 for the Air Ambulance. Thanks to all involved.

Replacement seating – Dawn hasn't been able to find anything similar to what we have. She has seen some at £160, and some with metal backs at £60. She will continue to look but may widen the search to include wooden chairs.

Dawn

TCH will look at getting a quote for re-upholstering the bench seats.

3. TREASURER'S REPORT

Dawn handed out her report. The takings in Nov were up because of the darts and curry night and in Dec because of the Christmas activities.

The New Year's Ball made a profit even after paying Thomas £30.

The total in the bank is around £700 up on this time last year.

4. FUTURE EVENTS

There will be a quiz night on 16 February.

Dawn raised having an Indian food cookery demonstration – there was one at the Tweddle’s rugby club which was a success. She will find out if it was Kismet or Bombay Brasserie that did it and let TCH know. We will try to organise this then for early March.

Dawn

The 6 Nations Rugby (which was such a success for us last year) is starting soon. It was discussed doing themed food again this year, and decided that soup was probably the best option again. We will organise something more for St Patrick’s day as we did last year. Denise will ask Pam if she would consider doing the Irish stew again.

5. AOB

Denise raised that the ladies of the committee spent much of their New Year in the kitchen. It was agreed that maybe next year we should have more cold nibbles we can prepare earlier and fewer hot nibbles. Dawn suggested refunding 1 ticket price per couple of the committee members and this was agreed. We also need to think of a different theme.

Dawn will send a piece to the Legend about the money raised in the Christmas events to let villagers know.

Dawn

The date of the AGM was agreed as Friday 30th March at 7.30. Denise will ask Pam if she can resurrect the flier she did for last year’s AGM, adding on the up coming Quiz night.
