New Year's Eve – the suggested theme is Hollywood Night – that is movie star/character theme.

There was a suggestion that the Rough n Ready band may be available for New Year's Eve, but the committee decided not to take up the offer but instead ask if they could do St Patrick's night (15 March). Neil will ask.

5. AOB

There is a new panic button in the bar which will set off alarms when activated which is fixed under warranty.

There was a discussion on allowing dogs in the club. One dog seems fine but when there is more than one, the room gets smelly. We should not allow dogs at food events.

There is one member of the committee who suffers from asthma so dogs do need to be kept under close control.

It was suggested that this is a similar situation to the smoking ban and there is a need to strike a balance. It is important not to alienate people. Perhaps we could set up an area outside where people could leave their dogs. It was agreed that we cannot make one rule for one and another for others.

Please bring further thoughts on this to the next meeting.

6. NEXT MEETING

Next meeting on Saturday 10 November at 20.00.
