1. PREVIOUS MINUTES

ACTION

Agreed.

2. MATTERS ARISING

TCH has attempted to contact Jo about organising dancing lessons but has not managed to get hold of her yet. It was suggested these would be better starting in Autumn when the evenings are darker.

The vacuum cleaner is now working properly.

St Patrick's night was a success and thanks go to Pam for the stew and Andy for the props in the bar.

3. TREASURER'S REPORT

This was handed out in the AGM.

4. FUTURE EVENTS

Looking at upcoming sporting events, perhaps we could do a Chinese takeaway night for the opening of the Olympics on 8 August.

Saturday 26 April - St George's day/last night of the proms event. This will start at 19.45 with food serving at 20.15. Denise has agreed to do the casserole and will get the giant yorkshire puddings. We will aim to cater for 30 people.

Denise

There is a quantity of beefburgers in the freezer that need eating soon. It was suggested we serve these at the next big sporting event – the FA cup final.

Liz agreed to do a quiz on Friday 18th April. Start at 20.15.

5. AOB

We need to increase the prices we charge to reflect the increase to us. This will be 10p a pint and 10p on spirits.

There is a large party in the hall tomorrow, 29th, and we need to ensure all non members sign in. It was suggested we will have a sign and the visitor book by the door. Andy will produce the sign and TCH will laminate.

There is a party for a colleague of Liz on June 28th, but the bar will be open to members.

Last weekend someone threw eggs at the village hall. Our thanks to Katherine and Anna Williams for cleaning this off.

We propose to buy 2 large stock pots for cooking for future events. Denise will source these.

Denise

The storeroom still has lots of stuff in it that needs sorting. Martin knows someone who may be interested in the boxes of records. We will clear this room out along with the storeroom in the club on the evening of Saturday 5 April.

Dawn raised the installation of a new board to publicise events. It was agreed that scaffolding poles could be used for this along with a blackboard that Dawn has.

6. NEXT MEETING

Next meeting on Friday 9 May at 21.00.
